Ref: Annual Report

To whom it may concern,

Arrow van lines would like to ask for another extension on our annual report. I do know that Arrow thought they would be completed by now but our accountant is still out of work due to illness. Arrow will send proper reports as soon as they are available for your review.

Thanks for your time,
Brian Walls

A handwritten signature in black ink, appearing to read 'Brian Walls', enclosed within a large, loopy oval flourish.
